

Dream Network

Evolving a Dream Cherishing Culture ~ Since 1982

Thank you for your interest in becoming listed as a Contact Person in *Dream Network*.

First, it is important to share that you would be functioning autonomously, although *Dream Network* is willing to provide resources, encouragement, input and will act as a clearinghouse via announcing you or your groups availability, offerings and activities.

Would you please send a resume and/or narrative/biography that would provide a full picture of your level of expertise, experience and knowledge which qualifies you to respond to callers needing resources/answers/dream group start-up, etc?

Please realize that in your consideration for being listed as a Contact Person in *Dream Network*, what we are asking is that you to provide a service via sharing your own resources, information and expertise.

Because of the increasing interest in dreams being demonstrated by the general public, we here at DN desire to make quality information and resources available from individuals who are knowledgeable and committed to dreams and who are geographically accessible to 'new explorers.' At first, it would not be a very time consuming commitment ... or, a better way to put it is that it would only be as time consuming as you allow it to be.

We encourage you to become a subscriber and frequent contributor of articles.

In order for you to respond, these are some of the questions and/or elements of the 'job' of Contact Person as they are perceived:

Please answer the following:

- * How long have you been doing dreamwork? Yourself? _____ With Others? _____
- * Do you offer or participate in a dream group? _____ How long? _____
- * Do you want to respond to callers/writers just in your city or to residents in what states/region do you wish to respond? _____
- * What do you consider to be your geographic region? _____
- * Are you willing to provide answers, references to resources (books, videos, tapes, individuals, dream groups in the caller/writer's area, etc.) _____
- * Help caller/writer get a dream group started, if they are interested? _____
- * What times are you available to receive calls? _____
- * Your phone number: _____ Email address: _____
- * Would you like to advertise your service on Dream Network's website? _____
- Would you like to have a 'live' link from your listing to your email address? _____
- * Are you willing to have your address shared with other Contact Persons? _____
- * Would you like to be listed as having a special interest... such as helping get dream groups started, recovery from abuse/substances, Tibetan Dream Yoga, etc. If so, please specify.

* Would you be interested in collaborating and/or planning gatherings -- with your group or other contact persons in your area?

We are open to your ideas; please send them along

Thank you again, for Dreams,
